The Auburn Bay CA Board now has a few openings and we want **YOU!**

We are looking for:

- Team players
- Motivated volunteers
- Creative minds
- Residents who want to take part in making our community as great as it can be!

If this sounds like you, please contact auburnbayca@gmail.com with your reason for interest!

***Board Chair is willing to write reference letters to verify participation (and professional attributes) of board members.

We look forward to hearing from you!

Just a reminder that the Community Association AGM will be on April 3rd, 2019 starting at 7:00 pm, on the main level of Auburn House (200 Auburn Bay Blvd SE). All community residents are welcome to attend. Please use <https://goo.gl/forms/jFtuoEq7662tpHFq1>

to RSVP for the meeting, so that we can ensure to have adequate seating and agendas.

April 20th the CA will be hosting its first Spring Craft Event at Auburn House, currently there are only a few remaining spots for the 1:00 pm session. If all goes well with this event, we will be looking at hosting another one in the future. Current CA members will receive a special incentive at the event. Please use the following form <https://goo.gl/GbExXs> for this event. All projects are meant for ages 4+ and have been notified that they will be ready in time for Mother's Day.

The City of Calgary gave us April 28th for our clean-up, and we are currently working with the Resident's Association to make this event a success in using their parking lot. The clean-up will go from 9:00 am - noon, with the City Services going from 9:00 am to 2:00 pm. There will be all the standard services: garbage, composting,

e-electronics recycling, donations, household paints / chemicals and car seats (\$10 / seat charge), metal recycling, and reverse bottle drive. For anyone who registers to help with the community clean-up portion of the event, we will have free food and beverages at noon. Please use: <https://goo.gl/bA4tNq> to register so that we can ensure to have adequate food and supplies for the event.

I understand that realtor Jodi Brilling will be holding her annual garage sale again this year on May 4th, please see her website www.jodibrilling.ca for more information.

We would like to thank the two residents that have stepped forward to act as our financial auditors for this year.

At this time, we would like to thank Richard J. for being our Treasurer, Jaime W. our secretary, and Shahin A. our communications director. They have given their notice that they will not be seeking reelection at the AGM, the success of our wonderful community would not be possible without the dedicated volunteers. As we grow as an organization, we will need more residents to step forward to help the board make decision that influence the way our community functions.

We have been working on getting our CA website updated with more relevant content, and would like to know what you would like to see on the community resources page, please email auburnbayca@gmail.com. We have added a community calendar, as well as found a new online membership system, that will allow people to buy their membership and get a card to use in the Membership Privileges Program (MPP) immediately, please see page 10 and the "Membership" tab on the site for the full listing.

For our newsletter, we will be posting a monthly article that relates to being better neighbours dealing with a variety of bylaw issues. One resident suggested that we have a conversation about being responsible pet owners, especially since she was almost knocked down by a dog off leash with the community. Please check out page 8 for this month's topic, pet-related bylaws.

Our next CA meetings that are open to the public will be the AGM on April 3rd, followed by May 1st, and we would love to have your input. They are held at 7:00 pm in the upstairs room of Auburn House.

Meaning: Someone or something you are glad to see.

Origin: This phrase was first recorded by Jonathan Swift, in *A complete collection of genteel and ingenious conversation*, 1738: "The Sight of you is good for sore Eyes."

Cat and Dog Bylaws in Calgary

City of Calgary bylaws: for helping to be a better neighbour.

Most of the concerns we hear about are pet-related.

Cats: Under the Responsible Pet Ownership Bylaw, cat owners must ensure their cats:

- Have a City of Calgary license.
- Remain on the owner's property.
- Do not disturb the peace by howling or crying.
- Do not damage others' property.
- Do not scatter garbage.
- Do not chase, threaten, or attack a person or an animal.

Fines range from \$25 to \$1,500.

Dogs: Under the Responsible Pet Ownership Bylaw, dog owners must ensure their dogs:

- All dogs must have and wear a City of Calgary license as soon as they reach three months of age.
- All dogs must be on-leash at all times, unless posted signs indicate otherwise, or on property where the owner of the dog has the right of occupation.
- Dogs may not be left unattended while tethered.
- Dogs may only be transported in the back of a truck if the dog is in a fully enclosed trailer, a truck bed covered with a topper, contained in a ventilated kennel that is secured to the truck bed, or securely tethered and not standing on bare metal.
- Dog owners must ensure that they bring along a suitable means to pick up feces.
- Dog owners must pick up all feces produced by their dog both on and off their property.
- Dogs must be under control in designated off-leash areas. This means they must be in sight of their owners and respond to sight or sound commands.

Fines for failing to comply with the Responsible Pet Ownership Bylaw range from \$25 to \$1,500.

As a dog owner, you must ensure your dog does not:

- Bite anyone
- Injure anyone
- Chase, threaten or attack a person or animal
- Bark, howl or disturb anyone
- Cause damage to property or animals
- Scatter garbage

Dogs are not allowed in:

- School grounds
- Playgrounds
- Sports fields
- Golf courses
- Cemeteries
- Wading or swimming areas

While on a pathway, your dog must:

- Be on a leash no longer than two metres
- Remain on the right-hand side of the pathway
- Not interfere with or obstruct other users
- You may not cycle, skateboard or in-line skate with a dog on a leash while on a pathway.

If you know of a bylaw infraction and would like to report it to Animal & Bylaw Services, please call 311 (from within Calgary) or 403-268-CITY (2489) (from outside Calgary).

For concerns over what city bylaws are in place, please see <http://www.calgary.ca/CSPS/ABS/Pages/Bylaws-by-topic/Bylaws-by-topic.aspx> for a full listing.

The Bridgeland/Riverside Vacant Lot Garden, 46 7 St. N.E.

The Bridgeland / Riverside Vacant Lot Garden is significant as an excellent example of a community garden and is the oldest of its type in Calgary. It is also valuable as the only known remaining community garden that was once part of the Vacant Lots Garden Club.

The Garden was established sometime between 1924 and 1930 on vacant land that was purchased by The City of Calgary in 1922 under a City programme known as the Vacant Lots Garden Club. The Vacant Lots Garden Club was an offshoot of a national movement of the same name that was inaugurated in Calgary in 1911 and formally organized in 1914. The club allowed residents to garden on empty civic property for a small fee with a twofold purpose: beautification and food supply.

The garden club was an important resource, especially for working-class citizens, in securing a high quality, affordable and local food supply through increased self-sufficiency. At the time, most produce sold in Calgary was imported from BC and was both expensive and of poor quality. The Bridgeland / Riverside Vacant Lot Garden was a great asset to the working-class, German-speaking Russian residents of the area during the Great Depression, and with the conservation efforts associated with the Second World War. It is also remembered for its role as a 'Victory Garden' during the war with its products contributing to the war effort by reducing the public pressure on the food supply and allowing more food to be shipped overseas. At the same time, such gardens indirectly aided the war effort as morale boosters to those who tended them who were rewarded by the knowledge that their gardens were contributing to the war effort.

The Bridgeland / Riverside Garden also recalls the role that such gardens served in the early beautification efforts in Calgary that was fostered by city officials. With the major economic downturn in Calgary in 1913 and the resulting halt in construction, much land within city limits remained vacant. Establishing community gardens on these lots was seen as an effective way to maintain potentially unkempt and unattractive lots.

Because of the garden's association with the Vacant Lots Garden Club programme (1914-52), it is also a tangible reminder of the efforts of Annie Gale and early supporters of the programme.

Annie Gale was a socially progressive, recent immigrant from England who was appalled by the quality and price of the produce available in Calgary and worked tirelessly to improve the situation. Gale advocated for Calgarians to have the opportunity to be more self-sufficient in the production of their food. She was instrumental in establishing a municipal market in Calgary in 1914 which sold locally grown produce and represented the Consumer's League on the board of the Vacant Lots Garden Club. Her work on these and other initiatives helped her to become Calgary's first female alderman in 1918.

Of the 3,229 vacant lots that once comprised the Vacant Lots Garden Club, the three lots that form the Bridgeland / Riverside Vacant Lot Garden survive as the sole remaining garden plots that formerly constituted the programme.

Edited article courtesy of the City of Calgary Inventory of Historic Resources

The garden is situated on a quiet cul-de-sac at the base of the hill just below the former General Hospital site. The three long and narrow lots run eastward off of Seventh Street but are currently arranged in four plots that are aligned north and south. Crime Prevention in the Workplace

Crime prevention in the workplace can be looked at from the perspective of both building safety, and personal safety. Employers and employees should take all steps necessary to maintain a safe working environment. Following these tips may help to accomplish this.

Building safety

Ensure your building is safe by taking these steps:

- Replace burnt out light bulbs.
- Cover lights so they cannot be damaged or removed (interior and exterior).
- Have dumpsters moved from immediately adjacent to buildings. They attract undesirable activity and also provide easier access to the roof of the building.
- Block off open or unused alcoves to deter negative activity from taking place.
- Move light switches in hallways to secure areas so they cannot be accessed by unauthorized users.

Harassment in the workplace

Harassment in the workplace occurs when someone is subjected to unwelcome verbal or physical conduct.

Ensure your workplace is safe by:

- Reporting harassment to a supervisor.
- Familiarize yourself with any company policy pertaining to positive workplace.
- Be aware of the atmosphere in the workplace. Do your best to contribute in a positive manner.

If you witness a crime or are involved in an emergency situation, please contact 9-1-1 immediately.

Waiter, There's a Ladybug in My Wine!

Ladybugs release a bitter alkaloid fluid when they feel threatened, sometimes called "reflex bleeding". When ladybugs are present during the harvest of grapes, the release of this fluid can result in a distinct and unpleasant flavour in wines, known as "ladybird taint."

Learn more about your Calgary Catholic School District Board of Trustees!

The gift of publicly-funded education is a true blessing. In the Board of Trustees' role of supporting and promoting publicly-funded Catholic education, we work closely with key stakeholder organizations. GrACE (Grateful Advocates for Catholic Education), a provincial grassroots initiative within Alberta, is one organization that inspires and invigorates the spirit of Catholic education. Among its alliance of stakeholders are Calgary Catholic trustees Myra D'Souza, Lory Iovinelli and Pamela Rath, Gary Strother, our chief superintendent, district personnel and parents, parishioners and members of the Roman Catholic Diocese of Calgary, religious orders, Catholic Women's League of Canada and Knights of Columbus. Together, we embrace our faith and resolute commitment to Catholic education in our province.

Publicly-funded Catholic education has a vibrant presence, both within Calgary and throughout the province. GrACE serves to celebrate, highlight and advocate for a number of important reasons:

- Calgary Catholic has been educating and empowering students for close to 134 years
- Our schools affirm parents as their children's primary educators, respecting the rights of parents to choose the school that meets their needs
- In Catholic schools, it is our deepest desire to ensure that every child who attends learns in a rich, faith-filled environment
- Principles of diversity and inclusion are central in the teachings of the Catholic Church and permeate all aspects and curriculum in a Catholic school
- Our district proudly serves more than 57,000 of the 180,000 students currently attending Catholic schools in Alberta.

As GrACE begins its outreach, we invite all those committed to Catholic education to be advocates and witnesses for our schools' successes and their future. Join the conversation @GrACE4cathed and get involved with your local GrACE team to share your stories and support Catholic education.

Through this engagement, we will ensure our children and future families continue to study, grow and learn in caring, inclusive learning spaces. It is truly important to unite and celebrate our successful family-centred educational model that inspires students across the province to reach their full academic, spiritual and social potential.

Tax Scams

Tax time is scam time: BBB cautions businesses and consumers about common tax fraud where scammers are disguised as tax professionals.

Here Are Some Common Tax Scams:

- **Email phishing:** Scammers cleverly design realistic looking emails that closely resemble trustworthy tax businesses, like the Canada Revenue Agency. The email asks you for your financial and personal information in order to “verify” your account or claim a tax refund. The emails are loaded with malicious links and attachments that when clicked on, immediately install malware onto your computer.
- **False tax refunds or beneficiary payments** – An unsolicited email or text message phishing for your personal and financial information that is needed to “verify” your identity or claim a tax refund or beneficiary payment.
- **False audit notifications** – Aggressive calls or emails demanding immediate payment to avoid a fine. If no payment is made, scammers threaten to have you arrested, or even deported if you’re new to the country.

Here’s How to Protect Yourself:

- **Be wary of unsolicited messages.** Remember that a legitimate tax professional or agency will not ask for your personal information via email or text message. Do not open suspicious email attachments or links.
- **Do the math.** If the details of a suspicious message don’t add up with what the official tax agency or professional says, chances are it’s a scam. Always contact the official business to verify information and claims.
- **Ask yourself questions.** Did I provide my email address on my income tax and benefit return to receive mail online? Am I expecting more money from the CRA? Is the requester asking for information I would not provide in my tax return? Is the requester asking for information I know the CRA already has on file for me?

I'm really hoping that by the time you're reading this, spring has actually arrived. With that, it's time to think about spring cleaning and your community association may be hosting a community cleanup. Check calgary.ca/cleanup for the schedule and what can't be brought in. In addition, keep your eyes out for street cleaning signs and remove your cars from the road on the posted dates. Here's a few other things going on this month:

2019 Census Starts in April

You are able to complete your census online starting April 1. You should receive an access code in the mail, then visit Calgary.ca/census. The information you provide helps the City plan important services such as fire and police protection, transit, roads and utilities. The information is also utilized by school boards, businesses and researchers for decisions that impact your community.

Celebrate Easter in Your Community

Ward 12 consists of a diverse community, but Easter egg hunts can be enjoyed by all! A number of Ward 12 community or resident associations will be putting on an Easter egg hunt for their communities. Take a look on their websites or social media accounts to see if an Easter egg hunt is going on near you. Fingers crossed that the weather cooperates!

Save Money with a Rain Barrel

I know April in Calgary is just as likely to see snow as it is rain, but if not this month, then soon you will be thinking about gardening and lawn care. But did you know watering your yard can account for 30 per cent of your annual water bill? Rain barrels help conserve water and save you money.

Green Calgary will be hosting a number of events this spring where you can purchase a rain barrel and other green products for your home, as well as providing some free advice. Call 403-230-1443 or visit greencalgary.org.

With a number of major topics under discussion, including Green Line, the Event Centre, fluoride and many others, keep an eye on my website for the most recent updates and to contact me directly at www.shanekeating.ca.
